

EXPOSE YOURSELF with an American Graffiti Trading Card

1000 Full color, super-glossy cards

Whether you'll be present at Salute 2010 or not, here's a fun way to be a part of the celebration. Use them as business cards or surprise someone special with a personalized gift! You have two choices (1972 or older American vehicle):

1) A photo of any qualifying vehicle on the front of a merchant sponsored card with year, make & model, and owner's name and city on backside. \$35

2) Fully sponsored Trading/Business Card: Photo of any qualifying vehicle on front; any copy that you want on the backside. \$125

I don't have a car but I still want to sponsor!

3) No Problem!! We have some very cool classic photos and American Graffiti images set aside just waiting to find a home on your Trading Card.

If you choose #1, you'll receive 50 cards, either at Salute 2010 or by mail if you won't be attending. The remainder will be distributed by the sponsoring merchant & CTB at Salute 2010. If you choose #2 or #3 and will not be attending the Salute or if you are an individual, you will receive 200 cards by mail and we will distribute the remainder for you at Salute 2010. If you are a local business, you will receive 800 cards to give away at the Salute (if you wish, we can distribute them for you). **First-come, First-Served:** In the case of #1, the number of Trading Card sets that will be printed will be determined by the number of sponsors, so it is entirely possible that we may not be able to accept your order, in which case we will issue a refund.

Cruisin' The Boulevard, Inc. ~ P. O. Box 4412, Petaluma 94955

Petaluma's Salute to American Graffiti
2010 Trading Card #116
presented by
Rick Figari, Owner
This is the 1932 Ford Deuce Coupe that you see in American Graffiti. It was designed by George Lucas and modified under the supervision of Henry Travers. It is the most photographed hot rod in the world.
